

Distal Tip Protectors

Protect the delicate distal tips of your flexible endoscopes with ISI's Distal Tip Protectors. The soft foam protectors have an adaptable center opening to fit a variety of diameter insertion tubes. Use one or more to protect the tip and tube. Great to use for storage and transportation to prevent damage. An affordable way to avoid costly damage to expensive scopes!

- Latex-free
- Packaged 50 per box
- Fits all standard flexible endoscopes
