Mobile I.V. Pole & Infusion Stand Accessories

#741304

Mobile I.V. Pole

This Mobile I.V. Pole telescopes from 31" to 47". Can be easily relocated, clamping onto any shape from 1/2" to 1 1/4". When not in use, the dual ram's hooks nest inside the pole for convenient, out of the way storage.

- Ideal for stretchers, countertops or mobile stands
- Works on flat or round surfaces
- Contains a locking handle for theft prevention

Omni Clamp #741325
Universal mount design allows quick attachment to any pole up to 2" diameter.

Omni Clamping Accessory System

Simply attach the Omni Clamp to any I.V. or Infusion Stand and you're ready to mount accessories such as a Transport Handle, Oxygen Cylinder Holder, Multi Infusion Pump Post, Stat Tray, Stat Hanger and Accessory Hook. Unique dual slotted clamp design allows multiple accessories to attach to one clamp. Omni Clamp fits pole diameters up to 2".

Multi Infusion Pump Post
#741326
Secure up to four pumps to maximize space. (2 clamps required)

Transport Handle
#741327
Conveniently mobilize any stand. Ideal for ambulatory patients.

Accessory Hook
#741328
Ideal for drainage bags and additional I.V.'s or fluid containers.

Oxygen Cylinder Holder #741329
Ideal for ambulatory patients. Holds D and E oxygen tanks.

Stat Tray
#741330
Conveniently add space for instruments and lightweight equipment.

Stat Hanger
#741331
Rams Horn design holds additional I.V.'s or fluid containers.

Basket Adapter
#741332
Shown with Basket (#350005 sold separately)

Transport Basket
#350002
Stores charts, equipment and accessories. Measures: 12W x 12H x 4D. Use with Basket Adapter #741332.

Wire Basket
#350005
Measures: 6W x 4W x 4D. Ideal for ambulatory patients.
